Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction in the above-identified patent under Rule 1.322.

Inspection of the file of the application for the patent reveals that item, [63], of the patent , is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issued by the examiner. Therefore being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

In view of the foregoing, your request, in this matter is hereby denied. However, further consideration will be given this matter, upon receipt of a request fro certificate of correction under the provisions of 1.323, accompanied by the appropriate fee, which is presently $100. A certificate of correction will issue to correct the remaining errors.

Future correspondence concerning this matter should be filed and directed to Decision & Certificate of Correction Branch.
